■ 8 Berth Catamaran Houseboat

| 8 | 1 | 1 | 1 | 1 |

Length: 40ft (12.2m) Width: 16ft (4.9m)

Snooty Fox is the smallest in our 8-berth range and is ideal for smaller groups or those who don't want to break the bank, yet don't want to compromise on comfort, quality or safety.

This vessel is very popular and contains a modern décor, 3 separate bedrooms (1 upstairs) and separate toilet. A moulded staircase provides easy access to the spacious sundeck and the semi-covered hardtop provides the best of both worlds.

Powered by twin engines, this boat offers good manoeuvrability and represents exceptional value for money.

The Fleet
